
I can't stand sports right now...

Posted by Kim Yau Cheung - 2008/08/31 00:19

Which hall puts more energy on cultural activities? Because I have a symptom that deters me from taking up sports right now, I can only afford those gentle cultural ones.

Does anybody know if Morrison Hall is one like that? I want to be a latecomer of this hall.

Starr Hall always wins the cultural competitions in these years.

Oh, really? Winning sports games doesn't mean everything to me though.
